Dan, I'd like to blog about some of the startling facts that Mitch shared yesterday re/ the state of housing costs in LA right now. It was pretty remarkable stuff...and that was a big take-away for me from our meeting. The homeless services community needs to start adding their voice to the housing affordability push.

Hi Kerry:

How are you?

Dan tells me you might want to blog about the comments my boss made on affordable housing. Can I help pull some quotes or info together?

Tony
